1	<p>What is good about your peers writing?</p> <p>I think my colleagues successfully completed their presentations. They completed all assignments in time, and in right manner as the teacher request. Speech was good. Vocabulary is in normal state. Project skeleton are well organized. Presentation was not boring. All terms are clearly defined.</p>
2	<p>What do you feel your peers need to improve?</p> <p>Nothing to add. Everything was satisfactory</p>
